Self Only	Self Plus One	Self and Family
\$30.55 Monthly	\$61.10 Monthly	\$91.61 Monthly

United Concordia:
 Unlimited \$ Max/Year
 100% Preventative Care
 50%-80% Restorative Care
 Has Implant Coverage

***This is one of the best plans for people who have a lot of treatment to do. It is very comparable to MetLife, but would leave you higher copay for fillings than MetLife because of downgrades.*

FEP Blue Dental:
***These plans are out of network for us and therefore they will not reimburse claims to us. They only reimburse directly to the patient. This means that you would have to pay for your treatment in full at time of service, then wait for insurance to reimburse you. Most patients do not like this arrangement, so we would recommend you choose a different plan.*
